

# Annual Golf Tournament

Dear Community Member,

I hope this letter finds you well. As we emerge from the challenges of the past few years, we are excited to announce the return of our much-anticipated golf outing fundraiser, after a hiatus since 2019. This event not only brings together members of our community for a day of networking but also serves as a good cause.

As a non-profit organization dedicated to providing essential services to individuals with disabilities, we are striving to make a lasting impact on our community. This year, our fundraising goal is set at \$20,000, and the proceeds will be directed towards the creation of a green space accessible to all community members, regardless of their ability.

The envisioned green space will not only enhance the aesthetic appeal of our community but will also serve as a platform for individuals with disabilities to engage in meaningful activities. We believe in fostering a sense of inclusion and empowerment, and this green space will provide our clients with opportunities to learn new skills such as gardening, weeding, and plant care. More than just a physical space, it will be a source of inspiration and a venue for personal growth.

Many of our clients have expressed their eagerness for such a space, as it will not only encourage outdoor activities but also offer a fresh and exciting learning environment. Your support as a sponsor will play a crucial role in turning this vision into a reality.

By sponsoring Reach, Inc's Golf Outing, your organization will be aligning itself with a cause that not only enriches the lives of individuals with disabilities but also contributes to the overall well-being of our community. We have various sponsorship levels available, each offering unique benefits and visibility, see attached.

Should you have any questions or require further information, please feel free to contact Sharlae Vanis at [svanis@reach-inc.org](mailto:svanis@reach-inc.org). We appreciate your time and consideration and look forward to the possibility of working together to make this golf outing a memorable and impactful occasion.

Thank you,

Sharlae Vanis
